

More Than 730 Will Graduate May 2

More than 730 students will graduate from The University of Findlay during spring commencement ceremonies at 2 p.m. Saturday, May 2, in the Koehler Center on campus.

More than 300 graduate degrees will be awarded, and more than 380 undergraduate degrees will be awarded, including approximately 60 bachelor of arts degrees and approximately 320 bachelor of science degrees.

More than 40 associate of arts degrees will be conferred.

Among the UF graduates are more than 100 international students who will receive master's degrees and eight international students who will receive bachelor's degrees. Those students represent

Dr. James D. Houdeshell, professor emeritus of The University of Findlay, will give the commencement address. Houdeshell graduated from then-Findlay College in 1953 and later earned a master's degree from Bowling Green State University and a doctorate from Indiana University. He began his career at the University in 1955 as a teacher and coach. Later, he became dean of the college of professional studies, forerunner of the current Colleges of Education and Business.

Dr. Kathleen Crates will receive an honorary doctor of education degree. She is director of

student services for the Findlay City School System. She has been recognized for her service to numerous educational, professional and business organizations.

The University's traditional Arch Ceremony will immediately follow commencement at approximately 3:30 p.m. at the Griffith Memorial Arch in front of Old Main.
