April 2011

In This Issue...

On April 8th we celebrated another successful and fun filled evening with International Night. Area school children came in the afternoon to visit the various booths, get their faces painted and learn about new cultures. The evening started with a buffet from around the world where people could sample the unique flavors of food from various countries. Our evening program began with the traditional Parade of Nations and many countries demonstrated song, dance, fashion and more. We want to thank the students for taking the time to represent your country and for sharing your talent with us. We also wish to thank the various volunteers who helped make the night a success!

Watch your email for more fun filled events coming up this summer hosted by the office of International Admissions and Services.
