## Immigration Information

Did you know that not updating your current address can cause you to lose your F-1 status in the U.S.? To many students this seems like a small detail but it is one that the U.S. government takes seriously.

All F-1 students are required to report any change of address within 10 days of a move. It is extremely important for you to notify us when your address changes. We've made it simple for you to do!

Go to The University of Findlay website and to the International Admissions page. On the left side under "Current Students" click on "Online Forms" and you will see a "Change of Address" link on the left. Simply fill out that form and submit it online. It's that easy!
